Make Me Smile Day

In June 2018, Millie Lowson, Florence Harrison and Alex Lyon who were in Year 5 at the time spoke to me about setting up a Smile Council. After lots of discussion and research, we have recently been visited by a Charity called One-Eighty who have been spreading awareness of Mental Health. The children in Year 6 & Year 3 have enjoyed learning new strategies to help them sort out their worries and have been very creative. In order for us to celebrate their contribution to the project we are holding a Make Me Smile day to embed the learning further and spread it throughout the school.
