

When your child enters Foundation Stage he or she will be given a number of high frequency words to learn. These are very common in the English language and need to be learned by sight as most of them cannot be sounded out phonetically. It is vital that they are learned daily and can be read fluently for your child's reading skills to progress. We have given below all the high frequency words which should be known by the end of Year 2. If you have any queries regarding supporting your child in reading, please do not hesitate to ask a member of staff for advice.

High Frequency Words
